

## SALISH TEMPLATE - ITEMS FOR SCHOLARSHIP APPLICATIONS

You can use this template as a guide to track activities you have been involved in (sports, fine arts, service/volunteering, community involvement, employment, etc.), as you will likely need to enter this info into scholarship applications.

You can check more than one box for each activity.

*TIP - put in reverse chronological order (most recent first), like your resume.*

*L = Leadership, V = Volunteer, P = participation, C = Coursework, W = Work, E = Exploration*
